Final Report and Evaluation

Please complete the following questions.

- Briefly describe your project giving an overall summary of what you proposed to complete by the end of the grant period.

- Did you make any modifications to your original proposed project? If yes, please explain the change and your reasons.

- How many (children, families etc) participated in your project?

- In what ways do you think this made a difference for them? How successful were you in achieving the outcomes you proposed? Please describe the methods you used to measure this impact.

- Please give a specific example or story of how your program benefited an individual or a family. Use fictional name(s) but give an actual account of how the program helped someone. This example may be used in SCVF's marketing materials.

- What did you learn through this project? If you were to do it over again, what would you do differently?
